

Sinclair Broadcasting's license should be YANKED!

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Airing a one-sided, political documentary, disguised as "news" is NOT IN THE PUBLIC INTEREST.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Thank you.
